Dart volunteer, Bill Hatter, receives provincial sport award

Bi-annually, the Alberta Sport Parks Recreation and Wildlife Foundation recognizes volunteers who have, through their commitment and dedication, advanced the development of sport in Alberta. The recipients are selected based on their outstanding contributions at the community or municipal level through a personal commitment to sport development, a consistent and continuous record of service to the public, and community leadership in sport.

Darts Alberta is proud to extend our special congratulations to **Bill Hatter** on being recognized as one of Alberta's outstanding volunteers in sport. The award was presented at the 2009 Alberta Sport Summit held in Banff on Friday, April 18, 2009.

"As the 1st Vice President of Darts Alberta, it was my privilege to be one of five Executive members in attendance at this prestigious awards ceremony and to be able to share in the recognition of an individual who has dedicated more time and effort than what could be expected from any volunteer in any sport."
